Q9 - What did you like MOST about the class?	
Faculty:	Xiaolin Shi
Response Rate:	69.23% (9 of 13)
1	we always do the practice at the end of each class which relate to the exam or the real life
2	everything is good
3	Very informative and always allows time for students to ask questions in greater detail. Also very easy to reach.
4	The many examples we did and the relativity to real life scenarios
5	Professor's ability to go in depth on every topic discussed.
6	Learned a lot from the class.
7	Interactive and funny class
8	Everything
9	Although it was a night bomb, she gave us generous breaks and made sure we knew the material. She always comes in prepared and gives us pretty amazing lectures.

Q10 - What did you like LEAST?	
Faculty:	Xiaolin Shi
Response Rate:	53.85% (7 of 13)
1	no

2	The room was extremely hot and there was no way to control the temperature in that room. She's quiet sometimes but otherwise great.
3	The fact it was a night bomb
4	Professor can sometimes get confused by a question and can get off topic.
5	N/A
6	It's a night bomb class.
7	It might be the class in general or the three hours of it, but I found it very boring with a ton of new information being thrown at me that will not stick.

Q11 - What specific incidents/actions most affected your opinion of the class?

Faculty: Xiaolin Shi	
Response Rate: 53.85% (7 of 13)	
1	professor really focus on how much we learn from the class, not only focus on the grades, it gives us so many chance to describe why you think you answer is correct even though it is wrong
2	no
3	The real life examples we discussed and how they make sense from an economical standpoint after becoming more knowledgable in the subject
4	She really cares for the students and tries to show as much enthusiasm as she can to the class. She goes over every single question really in depth until we all understand it.
5	She always tried to make joke on the classes, and that is really cute.
6	None.
7	N/A

Q12 - How could this class be improved?

Faculty: Xiaolin Shi	
Response Rate: 46.15% (6 of 13)	
1	no
2	The exams are both 35% of your grade, totaling to 70% of your full grade. This became very stressful.
3	N/A
4	More group discussion.
5	I love the way it is already.
6	Change the class time.
